

2023 Spring Specials

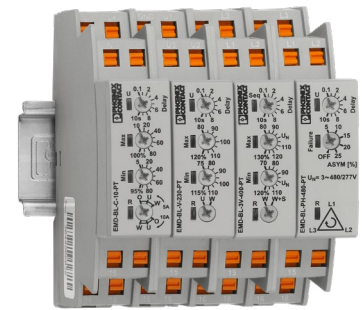

Quarterly Special valid from April 1st – June 30th, 2023

Monitoring Relays EMD-BL Series

The compact EMD-BL monitoring relays are ideal for simple monitoring tasks, especially in building installation and series production.

Check electrical loads for functionality or wire breaks with undercurrent monitoring and avoid overload situations or blockages with overcurrent monitoring.

Protect machinery and equipment from the damaging effects of overvoltage and undervoltage.

Order No.	Description	Connection type	Product Description	Input Ranges	Promo Price
2903524	EMD-BL-V-230-PT	Push-in	Voltage Monitoring Relay	0...24VDC 0...24VAC 0...230VAC	\$109.00
2903522	EMD-BL-C-10-PT	Push-in	Current Monitoring Relay	0...5A 0...10A	\$119.00

Additional options and connection types available upon request

Features and Benefits

- ✓ Space saving with the compact installation housing
- ✓ Easy handling with rotary switches on the housing front for parameter setting
- ✓ Clear diagnostics with status LED
- ✓ Ideal for series production thanks to a price-optimized solution for numerous monitoring functions

PLT-SEC

Control cabinet surge protection

Surge protection, consisting of protective plug and base element, with integrated status indicator and remote signalling for single-phase power supply networks.

Order No.	Description	Voltage	Connection	Promo Price
2907916	PLT-SEC-T3-24-FM-UT	24 VAC/DC	Screw	\$95.00
2907917	PLT-SEC-T3-60-FM-UT	60 VAC/DC	Screw	\$95.00
2907918	PLT-SEC-T3-120-FM-UT	120 VAC/DC	Screw	\$95.00
2907919	PLT-SEC-T3-230-FM-UT	230 VAC/DC	Screw	\$95.00

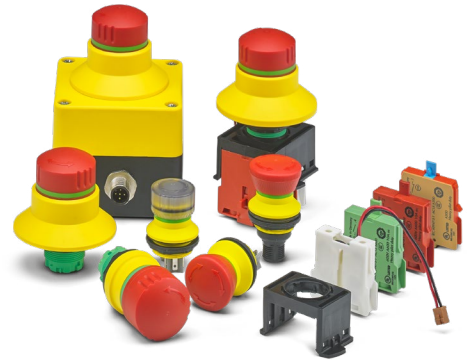

Emergency Stop Switches

All-in-one and modular emergency stop system

Our TÜV-certified emergency stop switches allow you to switch your machines or system over to a safe state immediately in the event of an emergency. Our control devices with emergency stop or emergency switching off function are suitable for applications in accordance with EN ISO 13850 and EN 60204-1.

Choose from our ready-to-use solutions for your standard application or configure your own emergency stop solution tailored to your requirements.

All-in-one				
Order No.	Description	Product Description		Promo Price
1221735	PSR-ESS-M2-H110-2000-A	Emergency stop switch in IP65 housing, suitable for PL e		\$120.00
1221737	PSR-ESS-M0-H210-2000-A	Emergency stop switch suitable for PL e, Panel install with M12 connection		\$118.00
1221740	PSR-ESS-M0-H200-2000-C	Emergency stop switch suitable for PL e, Panel install with spade connection		\$49.00
1221739	PSR-ESS-M0-H220-2001-C	Illuminated emergency stop switch suitable for PL e, Panel install with spade connection		\$84.00
Modular				
1221758	PSR-ESS-M0-H100	Actuator	Actuator	\$30.50
1221757	PSR-ESS-M0-H110		Actuator with anti-lock collar	\$25.00
1221753	PSR-ESS-M0-H120		Illuminated actuator with anti-lock collar	\$75.50
1221747	PSR-ESS-ACC-CB1-C3	Carrier	Carrier for 3 elements	\$3.25
1221745	PSR-ESS-ACC-CB1-C5		Carrier for 5 elements	\$5.25
1221749	PSR-ESS-ACC-CB1-SM-SC	Contact	Contact module for modular emergency stop switches with force-guided N/C contact for safe shutdown	\$14.50
1221752	PSR-ESS-ACC-CB1-NC-SC		Contact module for modular emergency stop switches with force-guided N/C contact for safe shutdown, N/O contact for installation monitoring	\$6.50
1221748	PSR-ESS-ACC-CB1-I-SC	Optional	Module for powering the illumination element on an actuator	\$21.50
1221751	PSR-ESS-ACC-CB1-NO-SC		Contact module for modular emergency stop switches with N/O contact for feedback function	\$6.50

HEAVYCON B EVO Connector set

Heavy-duty connector set consisting of sleeve housing, panel mounting base, push-in contact insert and cable gland.

Order No.	Description	Product Description	Type/Size	Promo Price
1407710	HC-EVO-B06PT-BWSC-HL-M20-PLRBK	Connector set, Single locking latch, with cover	B6	\$49.99
1408791	HC-EVO-B10PT-BWSC-HL-M25-PLRBK		B10	\$62.99
1408793	HC-EVO-B16PT-BWSC-HH-M25-PLRBK		B16	\$79.99
1408794	HC-EVO-B24PT-BWSC-HH-M32-PLRBK		B24	\$87.99

Features and Benefits

- ✓ Easy handling and right connection for every application
- ✓ Push-in Contact for fast connection
- ✓ IP degree of protection (when plugged in): IP66

Push-X Connection Technology XTV — Lateral Push-X

Tool-free conductor connection reinvented: Push-X allows direct wiring of rigid and flexible conductors with or without ferrule with the pre-tensioned contact spring. Insert the conductor up to the end of the clamping chamber without effort. As soon as the conductor pushes down the contact spring's locking mechanism in the end position, the slider is released & the contact spring snaps automatically. The conductor is clamped directly during this process. Like with the well-known Push-in technology, the conductor is released via the orange push button. At the same time, the contact spring is preloaded for the next wiring process.

[Click here to order a free sample!](#)

Features and Benefits

- ✓ Fast and most flexible connection technologies
- ✓ Toolless wiring of rigid and flexible conductors with and without ferrules
- ✓ No conductor pretreatment necessary

Tool deals you wouldn't want to miss!

TOOLfox

Professional tools are a prerequisite for excellent results in electrical installation and are probably the most important companion for day-to-day work. Our products are all about precision, durability, and effectiveness. TOOLfox offers a complete portfolio of hand tools and automatic devices for electrical installation work, featuring comfortable handling and delivering high quality.

Features and Benefits

- ✓ Fast and reliable results due to the high-grade, tested tool quality
- ✓ Functional, flexible, and practical use due to the ergonomic design
- ✓ Comprehensive product range for cutting, stripping, crimping, screwing, and measuring

	\$32.00 CUTFOX 12 1212128		\$52.00 CUTFOX 18 1212129
